Verify Receipt of Your Wellness Incentive Dollars

Monday, July 10, 2017

With the start of the new benefits plan year, please check your paycheck stub or direct deposit statement to ensure that you are correctly receiving your wellness incentive dollars.

Incentives are based on individual employee's pay calendar. Employees paid on the 12-month pay calendar will see \$9.23 and \$13.85 for completing the Health Risk Assessment and non-tobacco usage, respectively, beginning on July 6. Employees paid on the nine-month calendar will receive \$13.33 and \$20.00 for Health Risk Assessment and non-tobacco usage, respectively, starting on September 1.

Beginning with the July 20, 2017, paycheck, the wellness incentive dollars will be listed under Earnings on the left-hand side of your paycheck stub or direct deposit advice (see below).
