## Share the Deadline for Maricopa Community Colleges Foundation Scholarships

*Monday, September 11, 2017*

Maricopa Community Colleges Foundation (MCCF) is now accepting scholarship applications from Sept. 1, 2017 to Oct. 15, 2017. Scholarships range from \$250 to \$1,500, and can be used for tuition, textbooks, and other academic-related costs.

MCCF scholarships reward students who demonstrate academic excellence, leadership skills, and successful degree progress. The scholarships are available to all new and existing Maricopa Community Colleges students. Last year, over 3,000 student scholarships were awarded.

MCCF scholarship opportunities are available every year beginning in September and February.
